Muhammed Shabeer OP

Managing Director at PRO26 | Full Stack Flutter Developer | IoT
Innovator | Tech Mentor
Kottakkal, Kerala, India

Summary

I'm a Full Stack Flutter Developer who loves building user-friendly mobile apps and smart solutions. I specialize in Flutter, making smooth cross-platform apps that work like a charm.

I'm also into IoT and PCB design — basically, I like solving tricky problems with smart, practical fixes. Plus, I've got a creative side, working with Adobe Creative Suite, Final Cut Pro X, and Blender to make projects look and feel great.

Always learning, always improving — hit me up if you want to collaborate or chat about cool projects!
